Caleb: We are.
Caleb: We are.
me: got attack of the clones
me: what time you get off?
Caleb: None of your business-thirty.
Caleb: Which is to say, 7:00-ish.
me: the apple preserves I got from store the other day were not well-preserved that they didn't have a giant fungus growing on top when I opened it
me: there's a story for yoyu
Caleb: Proofread that for me.
me: no, I'm done working for the day
me: I mean, no, done I am work day
me: fag
Caleb: http://newsbusters.org/blogs/geoffrey-dickens/2010/06/14/newsweeks-clift-mocks-gop-womens-pro-life-views-so-yesterday
Caleb: The outrage!
me: I'm angry
Caleb: On _The McLaughlin Group_ no less!
me: god, I caught an episode of that at this chick's house couple weeks back
me: fucking female Washington Times correspondent on the panel
me: don't know how much you know about the Times
me: but fuck
Caleb: I know enough.
